

Dry Spell 旱咒

Well Drilling Ads 打井廣告

Beijing is in its 9th year drought when the city is flushing and washing away Depleting its ground water further. As the ground water level falls, wells for farmers outside the city have to repeated drill their wells deeper. This reality Is reminded by the well drilling ads everywhere outside the city of Beijing.

北京大旱9年，城市人用水依舊，使地下水位不停下降，於是井越挖越深，有些更深達200呎。市郊農場附近的牆壁上，打井廣告成為了風景綫..
